

# LIMITED OFFER! Microsoft Dynamics® NAV Accelerator Program using Scribe Insight - Migration License

## Migrate your customer’s financial data into Microsoft Dynamics NAV for \$500!

Scribe Software is pleased to participate in the Accelerator Program being offered by Microsoft. As part of this program Microsoft Dynamics NAV certified partners that are enrolled in the Accelerator Program can achieve Scribe Certification, and purchase software products, at a significant savings. By using Scribe Insight - Migration License, and specifically designed migration templates, you will be able to greatly reduce the time and effort involved in migrating your customer to Microsoft Dynamics NAV. This will save your customer money and make it an easier decision for them to become a Microsoft Dynamics NAV customer.

### Certification and Initial Product Purchase

Scribe Software is pleased to offer a discount on the cost of certification training for partners who, through this program, become new Scribe resellers.

### Pricing for Additional Product Purchased During Promotion

Scribe will offer all partners enrolled in the Accelerator Program a discounted price of \$500 for all orders of Scribe Insight - Migration License placed by September 30, 2008. For new Scribe Resellers this price is available after the initial Accelerator Program purchase. Each customer requires their own license of Scribe Insight - Migrate License, they are not transferrable. For existing Scribe Resellers the price is available after becoming certified on the Scribe Adapter for Microsoft Dynamics NAV.

### Migration Templates

A migration template for moving Customer Accounts, Vendor Accounts, Item Records, Customer Opening Balances, Vendor Opening Balances, Stock Opening Balances, and Sales BOMs from Pegasus Opera 2 is now being created and will be made available free of charge. Additional migration templates for other ERP systems will be available in the future. The key benefits of these templates include:

- u Reducing the implementation timeline by providing a starting point for the initial data migration.
- u The ability to be used at each new customer site.
- u The flexibility to be configured to meet the unique needs of each customer.

### Partner Requirements

1. Microsoft Dynamics NAV Partner must also be a Certified Scribe Reseller.
2. Reseller must 'register' as a part of the Accelerator program and must meet requirement #1 to be eligible for program discounts.
3. Existing Scribe Resellers will need to purchase the Scribe Adapter for Microsoft Dynamics NAV Training and become fully certified to meet program eligibility.
4. Resellers will be issued coupon codes to be used when ordering these licenses from the Scribe online ordering site.
